## The 2009 BUCKTOE BIG SIT!

Sunday October 11, 2009

7:00 AM - 7:00 PM

at **Bucktoe Creek Preserve**

This is a **FREE** all-day birding event that will challenge observers to identify as many bird species as possible from a 17-foot diameter circle.

Light fare will be provided throughout the day

17 Ft.

### OFFICIAL RULES

- \* Observations can only be made from within a 17-foot diameter circle.
- \* There is no limit as to how many people can occupy the circle at one time.
- \* If a bird is seen or heard from within the circle but is too distant to identify, the circle can be left to get a closer look/listen for confirmation. However, any new bird seen or heard while confirming the original can't be counted unless it's seen or heard from an "anchor" who stayed behind in your circle, or when you return to your spot.
- \* The participants can work in shifts. No one person needs to be there throughout the whole Big Sit! The area can be left and returned to as frequently as desired.

Park at main entrance off of Sharp Road.
